

Yuval David – MC and Host Bio

A powerhouse of dynamic energy and spirited repartee, actor, host, and filmmaker Yuval David is frequently invited to host events, of all sizes, live and broadcast, as a venerated master of ceremonies. Yuval is as comfortable emceeing intimate gatherings as he is in front of hundreds, or even tens of thousands of people in a live audience setting, as he did for Israel's 70th Anniversary Celebration in New York's Times Square on behalf of the Israeli Consulate of New York, dazzling the audience of 30,000 event-goers and millions across the world viewing the televised broadcast.

He speaks at, hosts, presents, and emcees events for a myriad of organizations, especially those focusing on humanitarian, philanthropic, social impact, environmental, and entertainment initiatives, and alongside organizations catering to American, Israeli, Jewish, LGBTQ, and creative communities, including The National LGBTQ Task Force, The Aguda, Jewish National Fund, WZO, Stonewall, American Israel Cultural Foundation, The Jewish Plays Project, Washington Performing Arts, A Wider Bridge, The Israeli Consulate and Israeli Embassy, and other arts and humanitarian organizations.

As a keynote speaker, Yuval entertains, uplifts, and inspires audiences and communities toward the greater good of the initiatives and worldwide society he represents.

In addition to his work as speaker, host, and MC of live events, Yuval hosts and produces short- and long-form narrative and documentary content, as evergreen productions to assist the initiatives of organizations and expand their reach. Some of these have recently included The National LGBTQ Task Force's Creating Change Conference, the Jewish National Fund (JNF-USA), Stand With Us, and other humanitarian and environmental organizations.

He incorporates his great skill at storytelling, sharing a narrative, connecting to and entertaining audiences, coming from his acclaimed career as an actor, TV host, and filmmaker.
