Acclaimed Actor, Host and Filmmaker Yuval David Focuses Lens on a ‘Better World’ with Uplifting and Inspiring New Web Series

FOR IMMEDIATE RELEASE:

(NEW YORK) – SEPT. 12, 2019 – In a news cycle centered around ratings juggernauts, Americans have become all too accustomed to sensationalistic, hard-hitting breaking news, celebrity tabloid culture and stories of governmental gridlock, but New York actor, host, and filmmaker Yuval David is trying to change that by focusing his efforts on promoting the good in the world.

In his new episodic documentary web series, ‘Better World with Yuval David,’ the host, director, and producer captures every day New Yorkers and tourists traversing the labyrinthic Big Apple streets and focuses the lens on them, asking each person what they are doing to help make the world a better place.

No response is judged – and every answer is shown proper appreciation and value by Yuval – no matter how small or large of a deed it might be.

This groundbreaking new series, just like his ‘Pranks of Kindness’ and ‘One Actor Short’ series, for example, follows with the acclaimed artist’s mission of entertaining, uplifting, and inspiring others, and with promoting social good through art.

‘Better World with Yuval David’ gives viewers the unique opportunity to take a step back from the chaotic and often negativity-laden news cycle surrounding each of us in our daily lives, and take in an overwhelmingly deep breath of positivity, light and goodness, while still being entertained.

‘Better World’ empowers viewers to consider doing just one thing each day to leave the world in better shape than when they each woke up, whether it’s helping children feel confident enough to perform on a stage, donating free education and counseling to students, or voluntarily providing occupational therapy for disabled kids in villages overseas.

Throughout his outspoken advocacy, and in much of his filmmaking and creative content aiming for social change, Yuval aims to make this world a better place. And, in this series, Yuval’s message to those he interviews and the audience watching the episodes is the same: “We all have a responsibility to improve the lives of others and the world around us. What have you done to make this world a better place?”
